TULUM MAYAN RUINS - RUINAS MAYAS DE TULUM

This ancient Mayan town is unique for it is built on an impressive cliff over the caribbean sea. The Mayan civilization is known the world over specially for their knowledge of astrology reflected on their architecture. This beautiful site with perfect context reflects the vibrant society that flourished here between 1200-1450 during the post classic period. Esta ciudad única, construida en la costa del caribe ejemplo de la arquitectura maya, se refleja la vibrante sociedad que florecio entre 1200-1450 durante el periodo post clásico. La civilización maya es conocida en todo el mundo por su sorprendente relación con la astrología y tradiciones ancestrales.

TULUM BEACH - PLAYAS DE TULUM

Long stretches of untouched tropical beaches. Coconut trees brushing the shores. Solitaire tranquility on sparkling sands. The beaches of Tulum continue to wow! visitors year after year. Larguissimas playas tropicales casi solitarias. Suave arena blanca y aguas transparentes, mar Caribe. Son el atractivo de visitantes de todos los rincones del mundo.

TULUM CENOTES - CENOTES

The crisp waters of the cenotes around Tulum are a magical site that allows visitors a rare look at the underground waterways. The ancient Maya considered the cenotes to be the entrance to the underworld. Wellcome to this small piece of paradise. Rodeados por una exuberante selva, llena de una gran variedad de plantas y animales, las aguas claras de los cenotes de Tulum son un lugar mágico que permite a los visitantes un raro vistazo a los cursos de agua subterráneos, considerados por los antiguos Mayas a la entrada al inframundo. ... bienvenidos a este pequeño pedazo de paraíso
